Important Events

We encourage all of our members to register for the Rocky Mountain Commercial Real Estate EXPO and Fall Forecast event. As the most heavily-attended commercial real estate conference in Colorado, this is a great opportunity to network and obtain up-to-the minute information on every submarket and product type. In addition to our regularly-scheduled economic update and forecast, the program will include national keynote speakers, commercial brokerage focused technology tools and Metro area transportation and development news.

Also, we ask that you save the date for the Heavy Hitters in Commercial Real Estate Awards Luncheon. This event brings together the area's top producers. Watch the DMCAR Weekly e-newsletter for more information and remember the deadline to submit applications for Heavy Hitters is in early January.
