

Wells Fargo Hershner Room *Parking Options*

There are two parking garages that connect to the Wells Fargo Center: the Alpha parking lot and the Wells Fargo Center parking lot.

Alpha Garage -- 1745 Sherman St.

Park on level 7 or higher then go down the elevator to level three, go out the doors to the parking lot. Go right at the sign that says Wells Fargo Center. Go through the two tall metal double doors and straight down the escalator to get to the Hershner Room which is right next to the Tuscany Coffee shop.

Wells Fargo Center Parking Garage -- 1740 Sherman St.

Select T for tunnel in the elevator. Go through the tunnel and up an escalator which takes you to the Wells Fargo Center lobby. They would then go through the Wells Fargo Center lobby, past the elevators on the left and down the escalator at the end on the left to get to the 1st floor where the Hershner Room is located around the corner.

The doors from both garages open into the building at 7:00am. So they will not need security access.
