Important 2025-2026 DMCAR Dues Billing Information

How to pay dues:

- 1.) Individuals can pay dues online or by mailed check, made payable to DMCAR, by following the instructions in the individually emailed dues notices sent by the Association in August.
- 2.) Or, the managing broker can pay the entire office dues invoice by phone or mailed check, made payable to DMCAR.

Dues must be paid in full and are non-refundable. Payments must be received before October 15. We gladly accept Visa, MC, Discover and AMEX.

How dues invoices will be received by your office:

MANAGING BROKERS – A master list of all agents from whom dues or assessments fees are owed can be viewed online by the Managing Broker. The master list is organized in two categories: REALTOR® members and non-member licensees, called Assessments. In order to remove someone from your office, we must receive confirmation from Colorado Real Estate Commission.

Assessment fees for non-member licensees must be paid by the managing broker using the broker's personal or corporate checks. Payments from individual non-member licensees cannot be accepted.

SUPPORT STAFF – The fee for support staff licensees is \$467. Support staff licensees are defined as licensed individuals not engaged in the sale or lease of real estate and who are regularly salaried employees who receive no more than 25% compensation from incentives, bonuses or referrals. Please denote those that meet the requirements of a support staff licensee by completing the Notification of Support Staff form, located at [DMCAR.com/pay](https://dmcar.com/pay), owe only \$467 for each licensee in this category.

BROKER ASSOCIATES – The DMCAR members in your office will receive, via email, individual member dues notices and invoices.
