

Colorado Billing FAQ

How much does the service cost?

- \$80/month for DMCAR members
- \$195/month for non-members

Are there company pay options?

Yes. When accessing the system for the first time, you'll be prompted for payment. If you'd like to pay as a group, fill out and submit the form under the "Paying as a group" heading, including the names and email addresses of all the agents in the payment group. Catylist will then set up your company account and respond by email with further instructions.

Is there an invoice option?

The only way to pay for the service immediately is by credit card. Payment by invoice/check is accepted if:

1. Your company has ten or more agents that will be subscribing together
2. Your company will commit to semi-annual (six months) payments

When opting for the "Paying as a group" option as noted above, be sure to include a note that mentions your desire to pay by invoice/check.

Is there a long time commitment?

No. The Catylist service is month-to-month, with longer arrangements required via an invoice option or when specifically arranged.
